

ILCC2018

27th International liquid Crystal Conference

Dates: July 22- 27, 2018

Venue: Kyoto International Conference Center

About ILCC

International Liquid Crystal Conference (ILCC) is the largest academic meeting in the field of liquid crystals, held biennially under the auspices of the International Liquid Crystal Society. ILCC was started in 1965 at Kent State University. 27th International liquid crystal conference (ILCC2018) is the third ILCC in Japan.

Session Plan (Tentative)

A. General Session

- A01 **Molecular design, synthesis and materials**
- A02 **Phases, structure and ordering**
- A03 **Theory, simulation and modeling**
- A04 **Dynamics and pattern formation**
- A05 **Symmetry, chirality, polarity and bent-core molecules**
- A06 **Self-assembly, colloids, chromonics and biological systems**
- A07 **Frustrated phases and complex systems**
- A08 **Nanostructured systems, supramolecules, and hydrogen-bonded systems**
- A09 **Polymers, elastomers and gels**
- A10 **Surfaces, confined systems and alignment control**
- A11 **Displays and devices**
- A12 **Optics and photonics**
- A13 **Electronics, energy and environment**
- A14 **Functional materials for devices, optical films, optical devices**

S. Special Session

- S01 **Future displays**
- S02 **Future materials**
- S03 **Life science and liquid crystals**
- S04 **Ultra-high definition display systems in 8K era**

Organizing Committee

- Chair: **Takashi Kato (University of Tokyo)**
- Vice Chair: **Jun Yamamoto (Kyoto University)**
- Vice Chair & Program: **Hirotsugu Kikuchi (Kyushu University)**
- Treasurer: **Masanori Ozaki (Osaka University)**
- Vice Treasurer: **Isa Nishiyama (DIC Corporation)**
- Program: **Yuka Tabe (Waseda University)**
- Public Relation & Tutorial: **Kazuya Saito (University of Tsukuba)**
- Information: **Hiroshi Moritake (National Defense Academy of Japan)**
- Secretariat General: **Masahiro Funahashi (Kagawa University)**

Organized by  **JLCS** 日本液晶学会 The Japanese Liquid Crystal Society

Science Council of Japan

Operational Management by  **NKKOINS** Nikkan Kogyo Communications, Inc.
